

# EXPERIENCE The Conservatory Lifestyle

Come visit **Conservatory At Plano** and stay for the lifestyle! Our community is established from a new era of bold, energetic senior living, complete with resort-style amenities and a wealth of social and recreational activities. Our six exclusive lifestyle programs come together to create a senior-living experience unlike any other.

We invite you to meet our **Executive Director, Michael Collins**. Michael brings a passion for working with seniors and having a positive impact in improving their lives. Having most recently served as the Executive Director at one of our sister properties, Michael also spent more than 30 years in the emergency medical services field working as a Paramedic and was promoted up through the management structure, culminating in the Chief Executive Officer role. His extensive managerial, operations and customer service experience complement his role as our Executive Director. Michael is excited to continue his career with Discovery Senior Living and looks forward to building new relationships as he continues to serve the residents at Conservatory At Plano.
